Product Update

2005-10-26

K750

In order to ensure that the safety filter, 506 38 75-02, always is correct when changing the paper air filter, 506 36 72-02, the safety filter will be included together with the paper filter.

The new complete filter kit, 544 18 16-01, will replace the paper air filter, 506 36 72-02, as spare part.
